# "Dundee Elementary <u>STUDENTS</u>, through differentiated instruction, will <u>LEARN</u> the core standards, which will be measured with on-going assessments and supported by interventions."

Jeffery Rubley Principal

August 20th, 2013

Dundee Elementary School 420 Ypsilanti Street Dundee, MI 48131

Phone: 734-529-2350 Ext. 2226

Fax: 734-529-3741

Dear Dundee Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2012-2013 educational progress for Dundee Elementary School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, Adequate Yearly Progress (AYP) and teacher quality. If you have any questions about the AER, please contact, Jeffery J. Rubley, principal, for assistance.

The AER is available for you to review electronically by visiting the following web site, www.dundeecommunityschools.org, or you may review a copy from the main office at Dundee Elementary School. A summary of our core curriculum and its implementation can also be found on this website.

For 2012-2013, Dundee Elementary made Adequate Yearly Progress (AYP), which is an indicator of student learning/growth. While we are pleased to have reached our goal of meeting AYP, we are continuously working to improve. We appreciate the continued support of parents, staff and our community in this effort.

Dundee Elementary has offered two scheduled parent/teacher conferences the past two school years and a scheduled family night. We have had 92% participation, collectively by parents for these events. We will continue to find novel ways to get the parent(s)/guardian(s) of all students at our conferences and parent events. We understand parent participation and involvement has a huge impact on learning and achievement.

Teaching teams, in collaboration with the building principal, use universal screening data, assessment data, behavior data, and gender ratios when placing students into classrooms.

The Dundee Elementary School Improvement Team (SIP) and professional learning teams work to identify areas for improvement through the analysis of achievement data and universal screening data. We are currently focusing on Reading, Math, and Writing. The improvement team is working with staff to align curriculum with content standards, improve our formative/summative assessments, and work to teach staff how to effectively differentiate instruction. Over the next two years, our goal is to have a 100% aligned curriculum, aligned assessments with high order thinking questioning, and an entirely proficient instructional staff at differentiating instruction.

The following pages in the annual education report will give you more detailed information and disaggregated standardized testing (MEAP) data.

Sincerely,

Jeffery J. Rubley- principal
